Dear Chef

Welcome to our new 'Collection' – a fresh approach for a new chapter!

This year, we've embraced change and brought together our 3 previous catalogs into an all-in-one collection. We believe in simplicity, clarity, and convenience- for you. One single thumb-indexed catalog means everything you need, now in one place. A clear overview of our full **all-year-round collection** featuring birthday classics, local celebrations, timeless designs and festive seasonal traditions including Halloween, Christmas, and Easter.

We've had the pleasure of collaborating with chefs like **Minette Smith, Dries Delanghe, Vincent De Marez and Jürgen Koens** to bring new inspiration to the table. Alongside these fresh creations, we've also revisited our archive because some things truly stand the test of time.

Not sure what you're looking for yet? No problem.

We offer full **customization options**, whether it's a small tweak to an existing design or something entirely new, made from scratch. Our creative possibilities are endless, tailored for both industry professionals and high-end segments. And because we love giving you a peek behind the scenes, we're proud to share a few of our recent customized realizations.

Looking for chocolate decorations? You're in the right place. We work exclusively with **premium Belgian Callebaut chocolate** made with sustainably sourced cocoa through the Cocoa Horizons initiative supporting both people and planet. For further information, more details about our activities and reports: www.cocoahorizons.org

As always, we remain deeply committed to both color expertise and your well-being. That's why we prioritize the use of **natural ingredients** and sustainable choices throughout our food colorants, some even cocoa-based, our Cocoart™ colors.

For select creations, we teamed up with **Dings Décor**. They create printed colorful marzipan (sugar & almond) & sugar paste in countless variations: plaques, 3D flowers, sprinkles, etc. In this catalog you'll find a glimpse of what they can offer. Interested in personalized creations?

Let this catalog be your source of inspiration – and creation.
